

`fixed_debug.h`

```
graph LR; A[fixed_debug.h] --> B[stdio.h]
```

A diagram showing a dependency between two header files. On the left, a gray rectangular box with a thick black border contains the text `fixed_debug.h`. A horizontal blue arrow points from the right side of this box to the right. The arrow's shaft is a thin blue line, and its head is a larger, solid blue triangle. On the right, a white rectangular box with a thin gray border contains the text `stdio.h`.

`stdio.h`
