

A horizontal line segment with arrows at both ends, labeled 2000.

A diagram showing two vertical lines. A horizontal double-headed arrow connects the two lines, with the number 2000 written above it, indicating a distance of 2000 units.

A diagram of a two-lane highway with a dashed center line. A horizontal line segment is labeled '600' above it, indicating a distance of 600 meters. Two vertical lines intersect this horizontal segment, representing the start and end of a specific section of the road.

A horizontal line is shown. From its left end, a vertical line segment extends upwards. This segment is labeled with the number 2000.

600

A diagram showing a horizontal distance of 2000 units between two vertical lines. The number 2000 is written above a double-headed arrow that spans the distance between the two lines.

A diagram showing two vertical lines. A horizontal double-headed arrow spans the distance between them, with the number "2000" written above the arrow.

A horizontal line segment with arrows at both ends, labeled 2000.

A horizontal line is shown with two vertical lines intersecting it. The distance between the two vertical lines is labeled 600.

A diagram showing two vertical lines. A horizontal line segment connects the two vertical lines, with arrows pointing towards each other. The number 600 is written to the right of the horizontal segment.

A diagram showing a horizontal dimension of 2000 units between two vertical lines. The dimension is indicated by a double-headed arrow with the number 2000 written above it.

A diagram showing two vertical lines. A horizontal double-headed arrow spans the distance between them, with the number "2000" written above the arrow.

A horizontal line segment with arrows at both ends, labeled 2000.

Diagram showing a horizontal line with two vertical lines intersecting it. The distance between the two vertical lines is labeled 600.

A diagram showing a horizontal dimension of 2000 units between two vertical lines. The dimension is indicated by a double-headed arrow with the number 2000 written above it.

A diagram showing a horizontal dimension of 2000 units between two vertical lines. The dimension is indicated by a double-headed arrow with the number 2000 written above it.

A diagram showing a horizontal distance of 2000 units between two vertical lines. The number 2000 is written above a double-headed arrow indicating the distance.

A horizontal line is shown with two vertical lines intersecting it. The distance between the two vertical lines is labeled 600.

A horizontal line is shown with two vertical lines intersecting it. The distance between the two vertical lines is labeled 600.
